Sizing Your **TigerTube™** Collector Tube

Simply measure the distance from the **high water level** to the base of your oil skimmer and use the chart below to size the correct length of **TigerTube™**.
Water fluctuation should also be considered when reviewing the chart.

1/4" **TigerTube™** Sizing Chart

Skimmer Height Above High Water Level	Length of TigerTube™
1'	6'
2'	8'
3'	11'
4'	13'
5'	15'
6'	17'
8'	21'
10'	26'
